WITH TWO BROKEN ARMS . . . HE CAN STILL SMILE! Yes, Michael Carmody, age 10, of Vera fell from a horse June 22, 1975 and broke both arms and is still smiling. The photo above was taken June 30, 1975 and brought in by his father. Mr. Carmody told us that Dr. A. A. Fratrick, who set both arms, told him that in his years of practicing medicine this was the first time he had ever set two broken arms at the same time on the same person.

Keep smiling, Mike, things are bound to get better.

Hollywood

We had a very successful Bible School at Hollywood Church last week. Rev. Paul Balthaser was principal with Mrs. Shirley Franklin as assistant. Delorious Ann Deaver was secretary and treasurer. RODEO HAS IRA APPROVAL

Cont. from page 1

meeting and keeping qualifications set out by the IRA are members of the organization. The same is true of the stock contractors and sponsoring committees.

The Diamond World Championship Rodeo is important to the IRA cowboys since each dollar won here counts as a point toward the IRA championships. The top 15 cowboys who win the most money in rodeos such as the upcoming rodeo here also earn a position for competition at the International Finals Rodeo held at the end of the regular rodeo season.

The championship events to be held at the Town Ball Park will be Bareback Riding, Calf Roping, Ladies Barrel Racing, Saddle Bronc Riding, Steer Wrestling, Team Roping, and Wild Brahma Bull Riding.

The Diamond World Championship Rodeo will be sponsored by The Appomattox County JC's, Inc. Members of the JC's have advance tickets on sale. Adults-$3.00; Children - $2.00. At the gate Adults - $4.00; Child's - $2.00.

The Appomattox County JC's along with Diamond World Championship Rodeo have geared their Rodeo for good clean family entertainment.

ENERGY SAVING TIPS FOR THE WEEK

1. In the summertime, cook outdoors whenever possible to save energy and reduce heat in the house. Experiment with a solar cooker. Contact the Energy Office for more information on obtaining solar cookers.

2. On hot summer days, park in the shade so the air conditioner doesn't have to work as hard when you start up again. When possible, drive with the windows open instead of using the air conditioner.

3. Keep your swimming pool in top operating condition so it doesn't waste energy.

4. Avoid using extension cords for major appliances and don't overload circuits. Overloading causes reduced energy efficiency.

5. Consider purchasing a microwave oven. These devices cook food quickly and with far less energy than conventional oven appliances.

6. If you have a room air conditioner, make sure that the fresh air inlet used for bringing in outside air to replace the stale room air is closed during the hottest part of the day. It takes more energy to cool hot outside air than to cool and recirculate inside air.

7. Cook by time and temperature. Precise timing with a meat thermometer can eliminate over-cooking and wasted heat..

SCHOOL BOARD APPROVES FIVE YEAR PLAN

Cont. from page 1

due to the dedication and competence of our teachers and principals," said Lloyd Walton, Division Superintendent. "The School Board has used available funds to provide programs, instructional materials and other resources needed to meet the needs of pupils and our teachers have used these resources effectively for our pupils," he continued.

In other action at the meeting on Thursday night, the School Board accepted the low bid of $17,600 submitted by Smith-Wimer, Inc., Lynchburg, Va., for renovation of four restrooms in the Appomattox Elementary School. Work will begin within the next week to ensure that the project is completed before Sept. 1, 1975.

The Superintendent reviewed with the Board the Textbook Rental Program. The estimated cost of books needed in the rental system for 1975-76 is $25,966.00. This represents an increase of approximately $5,000 over the previous year. This is due primarily to the increased cost of books.

To meet the financial needs of the program for 1975-76, the Superintendent recommended that the rental fee for pupils in Kindergarten through second grade be set at $9.00; for grades three through eight at $10.00; and for grades nine through twelve at $8.00 per subject. This recommendation was approved by the Board.

The first meeting of the Board for the new fiscal year beginning July 1, 1975 is scheduled to be held in the Board Room on Main Street at 3 p.m. on Friday, July 11, 1975.

DRAMA ABOUT PETER FRANCISCO - JULY4

Cont. from page 1

Appomattox County not far from Francisco's farm at Locust Grove.

The script was written by Dorothy Ferguson, director of the news bureau at the College, and the cast includes Tom Daniel, a senior at the College, Sandy Daniel, Steve Daniel, an LC alumnus, and Dr. Robert Hailey, LC professor of dramatic arts.

A man of legendary strength and courage, Peter Francisco was never more than a private soldier; it is said that he refused a commission because he thought he lacked sufficient education. He numbered among his friends, however, Washington, Lafayette, and Greene.

His origins were hazy. Apparently kidnapped, he was brought to this country in 1765 to the Virginia port town of City Point, now Hopewell, on a merchant ship. Judge Anthony Winston of Buckingham County, uncle of Patrick Henry, took him on as an apprentice and grew very fond of him. It is believed that Francisco accompanied Winston to Richmond to hear Patrick Henry deliver his famous "Give me liberty or give death" speech and determined to fight for his adopted country.

You will not want to miss this dramatization.

Appomattox 4-Hers Attend State Congress

The week of June 23-27 was a very exciting week for 15 4-Hers from Appomattox. They attended State 4-H Congress at VPI & SU in Blacksburg, where they competed in demonstrations and contests or learned new methods in classes with other 4-H'ers from across the state. The theme of this year's Congress was "4-Hers - We Can Make It Happen" and the delegates from Appomattox County have proved that they many blue ribbons, honors, and awards.

Attending State 4-H Congress from Appomattox were Becky Harris, Billie Brightwell, Pam Moore, Vickie Glover, Paula Franklin, Debbie Rush, Charlene Rush, Cindy Guill, Mary Parris, Baxter Parris, Robert Dyess, Nathan Smith, Joe Ford, John Jones, and Al Johnson.

Pam Moore and Joe Ford went to State 4-H Congress on the basis of their Record Books. Pam's record book was in Dog Care and Training and Joe's was in Leadership.

Attending in the Leadership Class were Paula Franklin, Baxter Parris, Vicki Glover, and Al Johnson. Roberta Dyess participated in the Agri-business Seminar.

John Jones went as a district winner in the Automotive Care and Safety Demonstration Contest. On State level, John received a blue ribbon for his demonstration entitled, "Why Retreads are Your Best Buy." John also won first place in the Automotive Skills Driving Contest in the boys' division and will represent Virginia in the Regional Skills Driving Contest this fall. This contest was sponsored by the Firestone Rubber Co.

Nathan Smith competed in the State 4-H Tractor Driving Contest. He placed third among nine competitors and was named alternate for going to National Congress in Chicago.

"The Cloverettes" including Cindy Guill, Debbie Rush, Charlene Rush, and Mary Parris went as District winners in Share-the-Fun. Competing in the State Share-the-Fun, they won a blue ribbon and first place in the General Category. The Virginia Association of Electric Co-ops sponsored this contest.

Billie Brightwell attended Congress as an All-Star and worked in planning many All-Star activities. She took an active part in the All-Star Tapping Ceremony, Thursday afternoon. Newly tapped All-Stars from Appomattox include Paula Franklin, Al Johnson, Pam Moore, and Cindy Guill.

Becky Harris served as a volunteer 4-H leader for the Appomattox group. She stayed busy, not only in meetings and activities for leaders, but also in keeping up with Appomattox 4-H'ers.

State 4-H Congress provided an educational and fun-filled experience for the 15 4-H'ers that went from Appomattox. All of the Appomattox 4-H'ers would like to thank the people who supported their Cake Raffle to help send them to Congress. Also many thanks go to Mr. Frank Sweet, Mr. Cornell Goldman, parents, friends, and others who have helped to make this trip to State 4-H Congress possible.

ENERGY SAVING TIPS FOR THE WEEK

1. This spring take the time to prepare for the hot summer days to come. Protect your outdoor cooling units from the sun. They should ne placed on the north or shady side of the house.

If you are planing spring projects while the weather is cool, consider repainting the outside of your house. Light colors reflect the sun's rays rather than absorbing this energy.

Preheating your oven is often not necessary and may be a waste of energy. When preheating is required, such as when baking time is only a few minutes, avoid preheating for longer than 10 minutes. A timer can be used as a reminder that your oven is heated

This spring have your central cooling unit serviced. An air conditione- that is out of adjustment can increase your operating costs while giving you very little cooling.

Attend Forestry Camp

Marvin Clark of Appomattox, Virginia, and a student at Appomattox County High School is representing Appomattox County at Virginia's 30th annual Forestry Camp at Holiday Lake Camp near here.

The week-long camp is conducted by the Virginia Division of Forestry, with the sponsorship of the Southern Forest Institute. Financing is contributed by local pulp and paper companies, including: The Chesapeake Corporation of Virginia; Continental Can Company, Inc.; Georgia-Pacific Corporation; The Glatfelter Pulp Wood Company; Owens-Illinois; Union Camp Corporation; United States Gypsum Company, Virginia Fibre Corporation and Westvaco Corporation.

More than 95 students are learning principles of conserving and improving the forest, America's major renewable resource. Professional foresters and game managers from state agencies and from the forest industries provide instruction in ecology, forest renewal, timber harvesting and utilization, wildlife control and game management.

In addition to their studies, the boys have frequent opportunities for swimming, softball, volleyball and other recreational activities. Outstanding campers will receive prizes for excellence in forestry studies, camping and athletic events.

Marvin Clarr. is attending Virginia's 30th annual Forestry Camp near Appomattox this week. He is shown here with Harvey Tispale, Vo-Ag Instructor, at the camp.
